

Core Values

- We answer God's call into Christian community and welcome people to join us.
- We proclaim God's truth and strive to always bring others to Christ.
- We seek the unity of all Christians and share the Lord's Supper with any who believe in Jesus Christ.
- We nurture ongoing spiritual growth through regular worship, prayer, Bible study, fellowship, and weekly sharing of the Lord's Supper like the New Testament Church described in Acts 2:42.
- We believe everyone is called to a loving Christian ministry, and we each give of our time, talents and financial resources.
- We reach out to a hurting world in service to others; inside and outside the church, in the spirit of God's love.
- We seek excellence in all we do.

The purpose of the church is never just for ourselves, but is always for the sake of another.
